## Loving Italic with Carrie Imai

Two-week Workshop

Date: **March 14 & 21, 2026**

Time: **10:00am to 2:30pm ET**

Live via Zoom with Tech Hosts  
Sharon Shannon and Michal Sommers

**The WORKSHOP will be recorded  
and available for viewing for 60 days**

### **Class Description:**

Are you happy with your Italic alphabet? Would you like a good, reliable formal Italic hand? Do you not know what's wrong with it or how to fix it? Then "Loving Italic" is for you. It will be an in-depth review of the formal Italic alphabet.

We will study each of the components of the alphabet – what makes it look the way it does - and use this information to determine how your personal italic can be improved. You'll learn how to fix new, old and "yucky" pens so they become good pens. You'll learn to use watercolor and gouache so they flow well out of your pens. Individual attention will help you to learn to be your own teacher.

### **Ability Level:**

*Open to all levels.* Whether you're new to Italic or looking to refine your hand, this class will help you build confidence, improve structure, and enjoy the process of lettering.

*Carrie Imai is a master calligrapher and beloved teacher with over 35 years of experience, known for helping students at every level truly see and understand letterforms.*

A large, flowing cursive word 'Love' is written in a vibrant red and purple ink. The 'L' and 'o' are in red, while the 'v' and 'e' are in purple. The ink is applied with varying pressure, creating thick, expressive strokes and some bleed-through.**Supplies:**

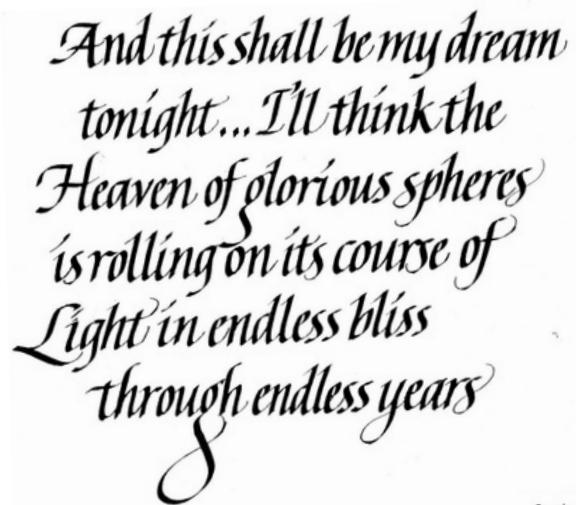

- You will receive an email with handouts and a grid to be printed on bleed-proof paper.  
*Please print 8-10 copies for your class time.*

The grid is copied from Hunt-Bienfang Calligraphic Practice Pad #206
